**YOU CAN MAKE THE
DIFFERENCE** ★ ★ ★

We would like you to become a valued partner in our mission to enrich the educational experience at Indian Trail and Winchester Trail Elementary Schools through the CW PTO.

The purpose of this CW Elementary PTO is to enhance the well-being, academic experience, and positive learning environment for every student at Winchester Trail and Indian Trail Elementary Schools. We seek to foster a culture of collaboration, respect, and inclusivity within the school community. We strive to aid the school and its students through fundraising, volunteerism, and by providing a platform for positive communication and collaboration between parents, teachers and community.

To achieve our goals and continue providing these essential resources, we rely on the generosity and support of local businesses like yours. Any contribution will directly benefit the teachers and students at our elementary schools with our classroom support campaign.

What is the Classroom Support Campaign?

Ever wonder how teachers make their rooms so cool for the kids they are investing in? Or if students run out of supplies during the year? Or maybe even where they get their latest teaching materials from? Teachers often dig into their own pockets to make things, and more, happen.

The PTO wants to help teachers build classrooms they want and need, without having to use their own funds to do so. The Classroom Support Campaign allows the PTO to financially support our elementary teachers with up to a \$200 reimbursement they can request each year.

BENEFITS:

- **Community Visibility & Positive Brand Association** - businesses partnering will get a social media shout out (advertising multiple times prior to any fundraising event). We will also post to our school's parent app.
- **Tax Deductibility** - your donation may be tax-deductible as a charitable contribution (please consult with your tax advisor for details)
- **Feel-Good Factor** - knowing that you've made a positive impact on the lives of children in your community is a reward in itself

We invite you to join us in making a real difference in the lives of our students. Your donation can come in various forms, including fundraising partnership events, financial contributions, or sponsoring specific events. To discuss partnership opportunities or for any inquires please contact the PTO. We sincerely thank you for considering our request and for your commitment to the education and well-being of our community's youth.
