Petitions

There are a number of petitions circulating that are in direct relation to our students in special education. Feel free to read more about each one and sign if you feel inclined

- Fair School Funding – <https://actionnetwork.org/petitions/pass-fair-school-funding-now?source=social&>
- End the Ohio Special Education Staffing Crisis – https://actionnetwork.org/letters/end-the-ohio-special-education-staffing-crisis?source=direct_link&
- Protect Federal Funding for our Schools – https://actionnetwork.org/petitions/safeguard-our-schools?source=direct_link&

Fact of the Month- PR01

- AKA “Prior Written Notice” – this is what schools are required to use to explain their decisions in writing
- If a school:
 - proposes a change (in placement or to any part of the IEP)
 - Refuses a request
 - Adjusts services, placement or evaluations
- There should always be a PR01 attached to any major decision made about your student
